

Team/Project Name: _____

Indicate the appropriate rate for each item (1 being Unsatisfactory and 5 being Superior)

ORIGINALITY (5 Points Total)	SCORE				
Shows original, unique, and creative thought, and is a solution to an identified problem.	1	2	3	4	5
INNOVATION IMPACT (5 Points Total)	SCORE				
Innovation solves a problem or need. Considers environmental and/or societal impact.	1	2	3	4	5
RESEARCH, & DEVELOPMENT (5 Points Total)	SCORE				
The invention has marketable value; market research was done to identify the population the product would best serve; and steps were taken to determine how the product would be brought to market.	1	2	3	4	5
Time and effort were given to explore the problem as well as the proposed solution; effort was made to determine if this invention already exists.	1	2	3	4	5
MODEL/PROTOTYPE/PRODUCT (5 Points Total)	SCORE				
The model/prototype/product is complete or can demonstrate implementation; the model/prototype/product is an accurate replica of the idea of vision of the innovation.	1	2	3	4	5
PITCH PRESENTATION (20 Points Total)	SCORE				
Presentation is informative and appropriate for the inventor's age and the allotted time.	1	2	3	4	5
Presentation states the steps of their process and any challenges encountered.	1	2	3	4	5
Presentation clearly expresses the identified problem and how the invention addresses the problem.	1	2	3	4	5
Innovator(s) were able to answer questions and demonstrated an understanding of the innovation and its impact.	1	2	3	4	5

Total Points: _____/50
